When ordering labels please refer to label number. In the case of label 201 please advise which colour. For labels 203, 212, 213 and 216 please advise colour choices. We will try to match to the best of our ability. For labels #210, #211, #212 & #219 black outline is simply to identify label size. For labels #217 and #218 please supply image in jpg or pdf format. File size no larger than 2 mb. In some instances picture may have to be cropped and/or may have to be cropped to an oval, or smaller rectangle or square. In these cases, names will be printed beside or below the picture, whichever looks best. Proofs will be sent via email and approval must be received prior to the labels being printed. If you have any questions please email: jennifer@chabertonwinery.com. For those that may wish to design their own label or have it designed for them, our label size is 10 cm x 8cm in either direction. There is mandatory information that must be on a wine label. This will be added at time of printing along with vintage information current to availability.
