

WELCOME!

Thank you for choosing us to host your winery event. We really appreciate your business! Attached are a few reminders and changes that we have made this upcoming tour season. Please take some time to review them and if you have any questions regarding our policies feel free to send us your questions and concerns. Also if you wish to customize your tour experience please make sure to contact our tour coordinator and we will do our best to accommodate your requests. In 2017 we are excited to bring in some new wines and bring back some old favorites as well. If you are booking for a group or you are a third party tour company please make sure to register with the winery and become an approved tour service at Chaberton. Thanks again for choosing Chaberton Estate to host your event. We look forward to seeing you soon!
