When ordering Labels off of the sample sheet, please refer to the number. All fonts are customizable as well as the colours of the font.

We can also do custom labels using your invitation design, or other designs you may have in mind. Please send us a high quality file of a photo or file which is clean of info you would not like on the label. Files and photos may need to be resized or cropped, and we may need to put an opaque shape over top of the picture if the wording is unreadable otherwise. Label sizes come in ~9.9cm x 7.6cm and 12.1cm x 9.55cm and can be printed either portrait or landscape (although the larger label does not look great landscape).

Please email sales@chabertonwinery.com your files, orders or questions. There is mandatory information that must be on the label due to Canada Label Standards for Liquor Distribution. Proofs will be sent via email and approval is needed before printing.

We respectfully request a minimum of 3 weeks notice for private labels - more is always appreciated.
